

# Runaway

Avril Lavigne

Got up on the wrong side of life today, yeah  
Crashed the car, and I'm gonna be really late  
My phone doesn't work 'cause it's out of range  
Looks like it's just one of those kind of days  
You can't kick me down; I'm already on the ground  
No, you can't 'cause you couldn't catch me anyhow  
Blue skies but the sun isn't coming out, no  
Today, it's like I'm under a heavy cloud

And I feel so alive  
I can't help myself  
Don't you realize?

[Chorus]

I just wanna scream and lose control  
Throw my hands up and let it go  
Forget about everything and run away, yeah  
I just want to fall and lose myself  
Laughing so hard it hurts like hell  
Forget about everything and run away, yeah

So-so is how I'm doing if you're wondering  
I'm in a fight with the world, but I'm winning  
Stay there, come closer - it's at your own risk  
Yeah, you know how it is: life can be a bitch

But I feel so alive  
I can't help myself  
Don't you realize?

[Chorus]

Run away, run away  
Run away, run away  
Run away, run away  
(Run away, run, run away)  
Run away, run away  
(Run away, run, run away)

[Chorus x 2]
