Xoe

Unfinished Thought

They Came From Her Fragile Side
With Imaginary Knives
And A Missing Moment Waiting
For The Next Completed Line
She Died From Lack Of Sleep
And A Case Of Missing Dreams
From A Picture Perfect Wedding
With A Few Deleted Scenes
It's Hard To Watch You Make Believe
That Normal Is Happy
And Everything Else
Should Never Be Seen
Memories That Live Won't Leave
She Thought Of A Thousand Times

When She Could Have Said Goodbye
But The Leaves Were Always Changing
And Her Fall Was Braced Inside
In Her Place There's A Note That Reads
Not The Girl That You Thought I'd Be
And I'm Sorry To Leave Things Hanging
But Your Love Was Killing Me
It's Hard To Watch You Make Believe
That Normal Is Happy
And Everything Else
Should Never Be Seen
Memories That Live Won't Leave
