

Ladies

Inna

All the girls, just hear me now
Listen up, I call you ladies
You don't have to trust a man
That is driving a Mercedes You don't know, boy, how hard I try
Being just here, not with you, baby
Someday you should tell me why
Why you do this to me, baby? You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over You don't love me now You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over All the girls, just hear me now
Listen up, I call you ladies
You don't have to trust a man
That is driving a Mercedes You don't know, boy, how hard I try
Being just here, not with you, baby
Someday you should tell me why
Why you do this to me, baby? You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over You don't love me now, you just hurt me now
It's over, it's over
I'm not looking back, I'm not going back
It's over, it's over
