Oops (feat. Charlie Puth)

Little Mix

[Chorus: Perrie]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you[Verse 1: Jesy]
It started with "what's up with you?"
I messed around and got caught up with you
Yeah, yeah, I don't know what to do
I've got these feelings like it's nothing new
Now I can't get enough of you[Pre-Chorus: Leigh-Anne & Little Mix]
And when I think about the way you touch my body
I don't know how long I can wait
And when I think about the way you touch my body
This could be my greatest mistake
You've got me singing[Chorus: Little Mix]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you[Verse 2: Charlie Puth]
We had a good run
We messed around and had some good fun
Guess it turns out I lost a good one
'Cause now I miss you every morning [?]
Wish you next to me babyAnd when I think about the way you touch my body
This could be my greatest mistake
You've got me singing[Chorus: Little Mix & Charlie Puth]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you[Pre-Bridge: Perrie]
Now I accidentally know that you're in love with me too
Oops baby I love you[Bridge]
If it was up to me
I'd take a time machine to the day I said goodbye
So can we try again
We're official, more than friends
No, don't you tell me goodbye
You've got me singing[Chorus: Little Mix & Charlie Puth]
Oops my baby, you woke up in my bed

Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you[Ending: Jade]
Now I accidentally know that you're in love with me too
Oops baby I love you
