

# If You Want Me

## Freddy & Francine

Are you asking, questions, laughing  
Eat up in their fields worth having

Will you cut the corn

Are you stupid, happy, crying  
Eat up in their fields worth dying  
Dying to be something more

If you want me

If you want me

Then why don't you come and get me

If you want me

If you want me

Then why don't you come and get me  
Do you get me, this time

Are you open, sadly, broken  
By the light of a full moon moment  
Did he shut the door  
Are you falling, fading, angry  
You're asleep at the wheel and weary  
Face down on the floor

If you want me

If you want me

Then why don't you come and get me

If you want me

If you want me

Then why don't you come and get me  
Do you get me, this time

Oo, Oo, Ooo-o-ooo-o-ooo

Oo, Oo, Ooo-o-ooo-o-ooo-oo-oo-o-ooooo

Oo, Oo, Ooo-o-ooo-o-ooo

Oo, Oo, Ooo-o-ooo-o-ooo-oo

Are you asking, questions, laughing  
Eat up in their fields worth having
