# Be Free

## Rusko

Long time ago (x2)
From the country to the town, from the soul to the crowd. woo woo oh oh oh
From the country to the town, from the soul to the crowd. woo woo
(I've just got to be free)
Set me, let me free, I'm locked up in the beat.
The poetry, the flow-etry? I'm locked up in the beat
With the microphone im in the zone, I'm locked up in the beat
Expression, thats the key, I'm locked up in the beat (I've just got to be free)
Come set me, let me free, I'm locked up in the beat (Ra)
The poetry, the flow-etry? I'm locked up in the beat
When Million Dan gets into the zone, I'm locked up in the beat
Expression, thats the key, I'm locked up in the beat.
I and I must be free, that's what I see as my destiny.
Love is what will set me free, make us friends from our enemies.
So I and I just let things be, forgive me for what I've done to thee
Is forgiving what you've done to me...
Come set me, let me free, I'm locked up in the beat
The poetry, the flow-etry? I'm locked up in the beat
With the microphone I'm in the zone, I'm locked up in the beat
Expression, thats the key, I'm locked up in the beat (i've just got to be free)
Come set me, let me free, I'm locked up in the beat (Ra)
The poetry, the flow-etry? I'm locked up in the beat
When Million Dan gets into the zone, I'm locked up in the beat
Expression, thats the key, I'm locked up in the beat.
