

# When The Band Was Singin' (shakin' All Over)

## The Guess Who

Well now they started Skinny Minnie and it turned to Ginny Ginny  
With the Dizzy Miss Lizzy Blues,  
She smiled while we were strollin' and I knew that I was rollin'  
Had to tell my big buddy the news.  
Its not the magic  
Its not the music  
Its not the moonlight  
I don't know when I felt like this before,  
About ten years time ago...  
When the band was singin "Shakin' all Over."  
Well now they gave us Juicy Lucy and we did the Watusi  
In a rockin' pair of blue suede shoes,  
What she don't know wont hurt her even though I might desert her  
Got to tell my best buddy the news.  
Its not the magic  
Its not the music  
Its not the moonlight  
I don't know  
I think Ive only felt like this one time before,  
About ten long years ago...  
When the band was singin "Shakin All Over."
