

Have I Stayed Too Long

Sonny & Cher

I think this party is going badly
Is there something wrong
I see faces looking sadly
Have I stayed too long
Even though I see me smile
That same scene and acting wild
Pretending that I really care
A smiling face is just a mask
Without love a kiss is nothing
Have I done something wrong
I look around and I can't find nothing
Have I stayed too long
Without beginning there ain't no end
Without a hope, you got no friends

Have I gone from loving you
To find out what's behind my tears
I got to get out of this place
I, I'm tired of waiting this phony place
I think this party is going badly
Is there something wrong
I see faces looking sadly
I guess I'm going home
Even though you see me smiling
That same scene and acting wild
Pretending that I really care
A smiling face is just a mask
