## Foals

Top of the world, bottom of the ocean  
Top of the world, bottom of the ocean  
They built you up and broke you down again  
So now you hope to beat the surf inCause the future is not what you've seen  
It's not where you've been to at all  
The future is not what you've seen  
It's not where you've been to at allThe future is not what it used to be, used to be  
The future is not what it used to be, used to beTop of the world, bottom of the ocean  
Top of the world, bottom of the ocean  
They lit you up and found the ground again  
So now you know to beat the surf inCause the future is not what you've seen  
It's not where you've been to at all  
The future is not what you've seen  
It's not where you've been to at allThe future is not what it used to be, used to be  
The future is not what it used to be, used to beThey buried the gold, your ancestry's sold and left  
Just the residue  
They buried the gold, your ancestry's sold and left  
Just the mist of youThey buried the gold, your ancestry's sold and left  
Just the residue  
They buried the gold, your ancestry's sold and left  
Just the mist of youNow what's happened to you, look what's happened to you  
What's happened to youNow that spring is finally here  
Your hollow heart, your hollow heart  
Drive through the forest and into the night  
Away from the city, away from the lightFollow your heart, your hollow heart  
You know  
And we're worlds apart  
And we're worlds apartThey gouge you out, they dug you in  
They took the name right out of your mouthHollow heart, your hollow heart  
You know  
Worlds apart  
And we're worlds apartInto yourself, Pacific  
Into yourself, Pacific  
Into yourself, Pacific  
Into yourself, PacificInto yourself  
Into yourself  
Into yourself  
Into yourself  
Into yourself

Into yourself
