

# Sweetness

## Wondermints

Yeah, girl I see over there looking all sexy  
I'm tryin' to get next to you  
You know what I'm sayin'  
Fine lil' thing you  
Yeah

Let me turn you on, let me make you holler  
Baby, I can make you scream my name  
I know what you like and I know that you want it  
Baby, I know I can make you cream  
I know I can get it and you know that you're with it  
Baby, won't you let me state my case  
I know you're not tripping, you know I'm not tripping  
Baby if you wanna play, let's play, yeah, yeah  
Your sweetness is my weakness  
Every time I lick it up, my fingers babe  
Your essence is present  
Even when you walk away from me, it stays  
Your sweetness, that sweetness  
Can't deny it when I do it my way  
Your sweetness, that sweetness  
Every time you walk away from me, it stays  
You know I'm not phony, you're my tenderoni  
I can sex your body up all day  
You know I'm not nasty but I can do it nasty  
I can flip you up a thousand ways  
Girl, I got the potion, your body is a ocean  
Let me show you how the water makes waves  
You know I'm not tripping, I know you're not tripping  
Baby if you wanna play, let's play  
Your sweetness is my weakness  
Every time I lick it up, my fingers baby  
Your essence is present  
Even when you walk away from me, it stays  
Your sweetness, that sweetness  
Can't deny it when I do it my way  
Your sweetness, that sweetness  
Every time you walk away from me, it stays, baby  
You're finally sayin' yes  
You're finally sayin' yes, girl

We could do it now  
We could do it right now  
Time is on our side  
No, we can do it all night  
Only take that off  
'Cause you're finally lookin' good to me  
Your sweetness is my weakness  
Every time I lick it up, my fingers babe  
Your essence is present  
Even when you walk away from me, it stays  
Your sweetness, that sweetness  
Can't deny it when I do it my way  
Your sweetness, that sweetness  
Every time you walk away from me, it stays  
Your sweetness, yeah, your sweetness, yeah  
Your sweetness, girl  
Yes, my weakness, yes, my weakness, baby  
Ooh hoo, ooh, your sweetness, oh baby, baby  
Yeah, yeah, uh, um, um um um um
