Comes Love

Solitaire Miles

Comes a rain storm, put your rubbers on your feet
Comes a snow storm, you can get a little heat
Comes love, nothing can be done
Comes a fire, firemen come and rescue me
Blow a tire, you can patch the inner tube
Comes love, nothing can be done
Don't try hidin'
'Cause it isn't any use
You'll just start slidin'
When your heart turns on the juice
Comes a heat wave, you can hurry to the store
Come a summons, hide yourself behind a door
Comes love, nothing can be done
Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done
Comes the measles, you can quarantine the room
Comes a mousie, you can chase it with a broom
Comes love, nothing can be done
That's all brother
If you've ever been in love
That's all brother
And you know just what I'm speakin' of
Comes a nightmare, you can always stay awake
Comes depression, you could get another break
Comes love, nothing can be done, nothing can be done
