Strong Black Vine

Tori Amos

Shut your mouth I'm spinnin' it tight down south I'm on raid, Tie you down 'Cause boy, I can save you from that evil faith Eagles serve, yeah, uh, uh, mother first They turn you predator but boy, I can save you from that evil faith Arms sold in Balmy cities that may not be with us for long Save you from that evil faith Lay back, strong black vine Submission is my mission for a strong black vine You just might see that, sweet Jesus Strong black vine Submission is my mission for a strong black vine Your mission, concentrate Blown to bits her innocent flesh to dust All for a dark god All for the love of some evil faith Swollen stream Every drip serpents bless You rape earth knowledge Still she would save you from your evil faith Bodies bathe is black gold, your pleasure Arms sold in Balmy cities that may not be with us for long Save you from that evil faith
