Little Sally Walker

Rufus Thomas

Little Sally Walker
Sittin' in a saucer
Ride, Sally ride
Wipe your weepin' eyes
Put your hands on your hip
Let your back bone slip, I want you toShake it to the east
Aw, I moved that a baby
Shake it to the west
I moved, I moved that, baby
Shake it to the very one
That you love the bestLittle Sally Walker
Tell me what you're gonna do
Little Sally Walker
I'm in love with youLittle Sally Walker
I see ya sittin' in your saucer
Rise and do the jerk
I love to see you work, yeahLittle Sally Walker
Tell me what you're gonna do
Little Sally Walker
I'm in love with you
Yeah, yeah, yeah, yeah, yeah, yeahPut your hands on your hips, ahh, got it
Let your back bone slip
Back bone slip nowShake it to the east
Shake, shake, shake
Shake, shake, shake, shake it
Shake it to the west
Shake, shake, shake
Shake, shake, shake, shake itShake it to the very one
That you love the best
Come on nowLittle Sally Walker
Shake it Sally Walker
Shake, shake Sally Walker
Shakin' it Sally WalkerShakin' it Sally Walker
Shake, shake Sally Walker
Little Sally Walker
Shake it Sally WalkerShake, shake Sally Walker
Little Sally Walker
Shake, shake Sally Walker
Shake it
