

# Whatever Will Be (feat. Ligahde)

## C-Steezee

(Hook)

You aint gotta stress just let it go and dont trip on things you cant control, no dont trip on things you cant control (que sera, sera) Whatever will be will be. (Repeat)

(Verse 1)

Everyday's another day for us to make it through.  
Gotta thank the lord for the day that he made for you.  
So many people hatin' you thats ok cuz we pray for you.  
Tryin' to bring you down to the ground thats what satan do.  
Your friends they wanna hang with you same ones that used to bang with you, switched up sides and ridin' now  
they they tryin' to come and bang at you.  
Plot on me dont follow me i dont owe no apology, thats the way it is and i know this the way it gotta be.

Hook)

You aint gotta stress just let it go and dont trip on things you cant control, no dont trip on things you cant control (que sera, sera) Whatever will be will be. (Repeat)

(Verse 2)

Now i den seen so much drama in my lifetime, its hard to conceive how i be even in my right mind, praying every night time, waiting for the right time, one day we gon' shine and we gon' leave all of they sight blind.  
Steezee, Ligahde we got so many enemies you never know who's friend or foe Kc-Mo West V.  
You aint gotta stress just let it go. (que sera, sera,) Whatever will be, will be.

(Hook)

You aint gotta stress just let it go and dont trip on things you cant control, no dont trip on things you cant control (que sera, sera) Whatever will be will be. (Repeat)
