## The Clarks

Hey, hey, hey, you on the trampoline  
Trying to see everything  
Hey, hey, hey, sweet little Cherubin  
Where has your papa been?  
You've got the keys to his chariot  
And I bet it looks hilarious  
To watch it drag the terriers  
And all the bugs that fair the earth  
Through all the dams and barriers  
Turn the vessel upside down  
Turn the vessel upside down  
Let us swim or let us drown  
I am lost but I have found  
(you) burn right through my palms  
You burn right through my palms  
Hey, hey, hey, you on the trampoline  
Up above everything

Hey, hey, hey, sweet little Cherubin  
Wanting to be let in  
Be careful what you ask for  
Because it burns right up your walls  
It burns right up your walls  
And I bet it looks hilarious  
To watch it drag the terriers  
And all the bugs that fair the earth  
Through all the dams and barriers  
Turn the vessel upside down  
Turn the vessel upside down  
Let us swim or let us drown  
I am lost but I have found  
Burn right down my walls  
You burn right down my walls  
You burn right down my walls  
You burn right down my walls
