Ease My Mind

Michaela Anne

I've been goin in my own roundabout way
showing you that I love you always
Knowing that I'm gonna need you someday
but I gotta be the one to say when
I know that all the patience in you is used loving me.
I've been riding on this train it's too fast
but I've got somewhere to be and it won't last.
Sorry Love there is no room in vision
Sorry Love I wanna be the one left
I know that all the patience in you is used loving me.
Cause I fear, I fear that I won't be the one they love.
I fear, I fear I wont do the things I want.
I fear, I fear a life of fear, I know it' tough.
Take my worries and bring them to the sea.
Wash them with me, ease my mind with me.
I've been riding on this train it's too fast but I've got somewhere to be and it won't last.
Sorry Love there is no room in vision
Sorry Love I wanna be the one left
I know that all the patience in you is used loving me.
Cause I fear, I fear that I won't be the one they love.
I fear, I fear that I won't be here long enough.
I fear, I fear a life of fear, I know it's tough.
Take my worries and bring them to the sea.
Wash them with me, ease my mind with me. O take me worries, bring them to the sea. And wash them with me, ease my mind with me, ease my mind with me, ease my mind, ease my mind with me O ease my mind
