Fresh

Kurupt

Fresh, fresh Fresh, fresh Fresh, fresh Girl you are something else, you are Fresh, fresh Girl you are something else, you are I know this girl, always walk with me But she talk to Steve, also talk to D How could this be in my world? I don't know to do, honey, you're so cool I wanna be her fool 'cause she's Fresh, fresh Girl you are something else, you are Fresh, fresh Girl you are something else, you are The way she smiles, something up her sleeve I wish it was me but the girl is just a tease Please wait until you see, you'll freeze instantly But all she wanna be Fresh, fresh Girl you are something else, you are

Fresh, fresh, fresh
Fresh, fresh
Girl you are something else, you are
Fresh, fresh
Girl you are something else, you are
Party people, Imajin out
You know that girl will steal your show
Never been so cold
Party people, Imajin out

Fresh, fresh Girl you are something else, you are

You know that girl will steal your show Never been so cold Fresh, fresh

Girl, you are something else, you are Fresh, fresh

Girl, you are something else, you are

Fresh, fresh, fresh, fresh, fresh Fresh, fresh Girl, you are something else, you are Fresh, fresh Girl, you are something else, you are Fresh, fresh, fresh, fresh
