

All My Love

Why Don't We

no playing, no faking
no games, no hesitation
your body, so crazy
I bet your body's amazing
you're running, I'm chasing
I'm wilding and you're taiming
you got it, come get it
All love, my love
All love, my love
All love, my love
All love, my love
my love
No hating, debating
you're worth the wait I'm saving
I'm asking, I'm praying
You bless my life by staying
you're running I'm chasing
I'm wilding and you're Taiming
you got it, come get it
All love, my love, all love
my love, all love
my love, all love
my love, all love
my love, all love
my love
All love, my love, all my love
All love, my love, all my love
All love, my love, all my love
All love, my love, all my love
my love, all love
my love, all love
my love, all love
my love, all love
my love
All love, my love, all my love
All love, my love, all my love
All love, my love, all my love
my love
my love, all love

my love, all love
my love, all love
my love, all love
my love
