The Best Is Yet to Come

Samantha Fox

If he's wearing purple
Then I'll wear white
And then we'll take a ride
In search of the bright, bright moonlightAnd all the people they wonder
As we walk on by
Why we behave like two children
Can't be too hard, too hard to see whyAnd if we ever get worried
We'll talk our troubles away, away
And together as one we know
That the best is yet to comeThe best is yet to come
The best is yet to come
When we're together as one I know
That the best is yet to comeThe best is yet to come
The best is yet to come
When we're together as one I know
That the best is yet to comeThe best is yet to come
The best is yet to come
The best is yet to come
The best is yet to comeThe best is yet to come
Goodnight
The best is yet to come
Sweet dreamsThe best is yet to come
The best is yet to come
The best is yet to come
The best is yet to comeThe best is yet to come
The best is yet to come
The best is yet to come
