

And This Is What the Devil Does

My Life With the Thrill Kill Kult

And this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil doesAnd this is what the devil does
And this is what the devil does
And this is what the devil does
You liars repentAnd this is what the devil does
And this is what the devil does
And this is what the devil does
You liars repentOur lord and master
You know I must be crazy
To show this as my way of living
I find that it's easy cutting up the piecesGet outta here
Our lord and master
Get outta here
Our lord and masterThis man say, I have needed
To mend my unholy life
I fall to my knees praying
I find it hard and easyGet outta here
Get outta here
Get outta here
Get outta hereMy life with the thrill kill kult
My life with the thrill kill kult
My life with the thrill kill kult
My life with the thrill kill kultAnd this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil doesAnd this is what the devil does
This man say
And this is what the devil does
I have neededAnd this is what the devil does
To mend my unholy life
And this is what the devil does
I fall to my knees prayingAnd this is what the devil does
And this is what the devil does
I find it hard and easyAnd this is what the devil does
And this is what the devil does
And this is what the devil doesAnd this is what the devil does
And this is what the devil does

And this is what the devil doesAnd this is what the devil does
And this is what the devil does
And this is what the devil doesAnd this is what the devil does
And this is what the devil does
And this is what the devil does
What are you trying to do, drive me crazyAnd this is what the devil does
And this is what the devil does
And this is what the devil does
I can't be anything except what I amAnd this is what the devil does
And this is what the devil does
And this is what the devil does
You liars repentThrill kill kult
Thrill kill kult
How I hate blackThrill kill kult
Thrill kill kult
I can't be anything except what I amThrill kill kult
Thrill kill kult
You liars, you liarsYou liars, you liars, you liars repent
And this is what the devil does
And this is what the devil does
And this is what the devil does
