

Time Stand Still

Rush

I turn my back to the wind
To catch my breath
Before I start off again.
Driven on without a moment to spend
To pass an evening with a drink and a friend

I let my skin get too thin
I'd like to pause
No matter what I pretend
Like some pilgrim
Who learns to transcend
Learns to live as if each step was the end

Time stand still
I'm not looking back
But I want to look around me now
Time stand still
See more of the people and the places that surround me now
Freeze this moment a little bit longer
Make each sensation a little bit stronger
Experience slips away
Experience slips away...

I turn my face to the sun
Close my eyes
Let my defences down
All those wounds that I can't get unwound

I let my past go too fast
No time to pause
If I could slow it all down
Like some captain, whose ship runs aground
I can wait until the tide comes around

Time stand still
I'm not looking back
But I want to look around me now
Time stand still
See more of the people and the places that surround me now
Freeze this moment a little bit longer

Make each impression a little bit stronger
Freeze this motion a little bit longer
The innocence slips away
The innocence slips away...

Summer's going fast, nights growing colder
Children growing up, old friends growing older
Freeze this moment a little bit longer
Make each sensation a little bit stronger
Experience slips away
Experience slips away...

The innocence slips away
