

He Can Handle It

Kirk Franklin

It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
He can handle it
There's no doubt about my Savior
I know He will deliver
He can handle it
There's no doubt about my Savior
I know He will deliver
Whatever it is
He can handle it
It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
He can
He can
He can
It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
He can handle it, He can
If you know He can say yes
Yes
It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
It really doesn't matter what you're going through
I know that Jesus can work it out for you
His yoke is easy and His burden light
Just give it to Jesus, He'll make it alright
He can handle it, He can handle it
