

Where Am I Now?

Normal Like You

Where am i now?
Can i progress to anything?
Things just won't fall in my lap
and it doesn't seem to matter
 how much I want.
'cause I can't be satisfied,
 and gradually
I will come to realize
 what i want from life.

Who or what will it be tonight?Is it so wrong
that I just want someone to show a little interest?
And am I selfish 'cause I can't accept "sure okay" for an answer?
 I sure wish I could.Betrayal, so wrong
 It's over, you're done
 You've had your fun
 My heart is broken
 Your eyes, they speak to me
I think you want this, you want this.So there went my week
 I still don't know.
 Just where I am
 or where I'll go.
 So should I try?
 The answer is here.
Tomorrow will only bring a new mistake
 I'm asking you.What would you say
 if I told you that I'm the one with the little interest?
Would you react or would I jump right back to where I started?
 It's all just so wrong.Betrayal, so wrong
 It's over, you're done
 You've had your fun
 My heart is broken
 Your eyes, they speak to me
I think you want this, you want this.Betrayal, so wrong
 It's over, you're done
 You've had your fun
 My heart is broken
 Your eyes, they speak to me
I think you want this, you want this.
