I'll never let you, fall down[Translation:]Baby, I'll lift you up like an umbrella
I'll make sure you're keeping your head up
I'll promise to love you forever
And I'll catch your heart like an umbrellaWhy would I stay quiet
When the time is right now
Do you hear me callin' you, your heart speaking?

Heart speaks in volumes, and I'm seeking..Remember those days you stayed inside
Remember those tears, those years you've cried
So why would I not hold you tighter
'Til your days get brighterBaby, I'll lift you up like an umbrella
I'll make sure you're keeping your head up
I'll promise to love you forever
And I'll catch your heart like an umbrellaNever ever, I'll never ever
I'll never let you, fall down
Oh no, no
I'll never ever, I'll never ever
I'll never let you, fall down
