

Satanic Cyanide! The Killer Rocks On!

[Rob Zombie](#)

Hey, Bloodstained Countess
Suck off the body
Everything's a lie
Hellbent and shoddy
Lay a bad jolt on the squares who are choking
Spread her legs wide in a Mohair CoffinThe killer rocks on (Yes I am)
What's that song? (Play it again)
Get your rocks off and on and on and on and onDelilah slides from the clam body dripping
Nothing ever happens on Mars when you're tripping
Electro-kick with a skeleton message
Paint it all black and crawl from the wreckageThe killer rocks on (Yes I am)
What's that song? (Play it again)
Get your rocks off and on and on and on and on
This is the end
Farewell my friend
All that you feel
Nothing is real
