

# Welcome to Tomorrow

## Meridiano Zero

Everything I have done up to this point,  
Has been for today  
And now, this is tomorrow  
We all tryin' to make it to tomorrow  
'Cause we don't know what tomorrow holds

So I'mma get to you across the world  
Don't worry 'cause it's only a day away  
So all my people strugglin', making something outta nothin'  
Just relax and pray 'cause it's only one day away

Tomorrow  
I'm finally comin' home tomorrow  
I just gotta get through today  
But hey, what's one more day to wait?
