

Mistaken Hands

Jude Moses

My cocoon is getting tired
White moon calling me out
Trees bow towards my shadow

Souls colliding like mistaken hands gracing the other
Souls colliding like mistaken hands gracing the other

My cocoon is getting tied
White moon calling me out
Trees bow towards my shadow

Souls colliding like mistaken hands gracing the other
Souls colliding like mistaken hands gracing the other

Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh

I'll make you super I'll serve you wine just pick your glass and slowly die
(Souls colliding like mistaken hands gracing the other)
I'll make you super I'll serve you wine just pick your glass we'll slowly die
(Souls colliding like mistaken hands gracing the other)

Souls colliding like mistaken hands gracing the other
