

Find You

Jason & The Scorchers

Felt like I was born on the backside of the moon
Never been a sunshine child
I'm not one for pity even when I'm in the mood
But it's comin' to the point in my life
 When I need to know
 So please, can you tell me
 Where will I put my hands
 When they're shakin'?
 Where will my feet finally
 Hit the ground?
 Who will I call when my
 Heart starts achin'?
 Where will I go when the
 Ship goes down, down, down?
 I'm gonna find you
 I'm gonna find you, yeah
 I'm gonna find you
 I'm gonna find you, yeah
Just like the winter brings us the spring
 Just like the mornin' daylight
I know I'll find you just like an angel
 Fallin' from the heavenly skies
 I don't know how
But I'm gonna get you into my life
 Where will I put my hands
 When they're shakin'?
 Where will my feet finally
 Hit the ground?
 Who will I call when my
 Heart starts achin'?
 Where will I go when the
 Ship goes down, down, down?
 I'm gonna find you
 I'm gonna find you, yeah
 I'm gonna find you
 I'm gonna find you, yeah
Out on the skyline or right next door
 No matter where you are
 I'm gonna find you

I'm gonna find you, yeah
I'm gonna find you
I'm gonna find you, yeah
Where will I put my hands
When they're shakin'?
Where will my feet finally
Hit the ground?
Who will I call when my
Heart starts achin'?
Where will I go when the
Ship goes down?
I'm gonna find you
I'm gonna find you, yeah
I'm gonna find you
I'm gonna find you, yeah
Oh, yeah
Yeah, yeah, yeah, yeah
Alright, ohh
