

# Kim Gordon and the Arthur Doyle Hand Cream

## Sonic Youth

Your bounce to the ounce makes us want to pounce  
You're just being totally perfect  
On Larry King you said you weren't tired  
Time to put to bed the competitive edge  
They say you can't say no to drama  
Now you don't have to try so hard

The label says, "don't have to wear less clothes"  
Next time you take a bubble bath  
Hey hey little baby break down  
Button-up baby you come undone  
Hey hey little baby get down  
Before you fall and hurt someone

You say you need privacy  
Broken glass everywhere  
Maybe you need an emo boy  
No underwear on the director's chair

You are seemingly unconscious  
Of what your body's doing  
Like miss Monroe your head don't know  
Exactly what your body's doing

Hey hey little baby break down  
Button-up baby you come undone  
Hey hey little baby get down  
Before you fall and hurt someone

On TV your soft and whispery  
Delicate like angel food cake  
They say if you press too hard on it  
It'll squish into a dense ball  
It will lose its fluffiness  
That's what you get when you use a boxed mix  
Can you get some satisfaction  
How much are you willing to pay for

Hey hey little baby break down  
Button-up baby you come undone

Hey hey little baby get down  
Before you fall and hurt someone

What's your gut feelin' about the new deal  
How's the label gonna remake you  
How was your date with Eminem  
Did he bake you and then forsake you  
Is innocence gonna still overtake you  
Like Arthur Doyle they can't fake you  
Ah Mariah your endless  
Like the wind, your feelin' defenseless

Hey hey little baby break down  
Button-up baby you come undone  
Hey hey little baby get down  
Before you fall and hurt someone
