I DON'T INTEND TO SPEND CHRISTMAS WITHOUT YOUWords and Music by Margo Guryan

You went away

You told me

You weren't coming back

You told me

But now it's cold, and Christmas is coming, too

And I don't intend to spend Christmas without youWe had a fight

What of it

You weren't even right

What of it

I'm all alone, and Christmas is coming, too

And I don't intend to spend Christmas without youYou ought to know

When you're alone

It's a lonely time to live through

How do you expect anyone to have any fun without anyone to give toI want you back

You know it

You only wanted me to show it

Well here I am, and Christmas is coming, too

And I don't intend to spend Christmas without youÂ© 1967 (renewed) DARTMOOR MUSIC
