

I Ran (So Far Away) [Re-Recorded] [Remastered]

A Flock of Seagulls

I walk along the avenue
I never thought I'd meet a girl like you
Meet a girl like you With auburn hair and tawny eyes
The kind of eyes that hypnotize me through
You hypnotize me through And I ran
I ran so far away
I just ran
I ran all night and day
I couldn't get away A cloud appears above your head
A beam of light comes shining down on you
Shining down on you The cloud is moving nearer still
Aurora Borealis comes in view
Aurora comes in view And I ran
I ran so far away
I just ran
I ran all night and day
I couldn't get away Reached out a hand to touch your face
You're slowly disappearing from my view
Disappearing from my view Reached out a hand to try again
I'm floating in a beam of light with you
A beam of light with you And I ran
I ran so far away
I just ran
I ran all night and day And I ran
I ran so far away
I just ran
I ran all night and day
