Won't Go Away

[Vertical Horizon](#)

Dear baby, baby
Won't you
I go crazy, crazy
For you
Won't you tell me, tell me
What to do
I go crazy, crazy
For you
Cause the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away
I see your world, the world is you
I see baby, baby blue
Everyday is a day to get through
Till I see baby, baby blue
And the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away
And it takes

Such a long time to get through this
Such a long time to find this kiss
And I can't forget it
I'm not ready yet
And I came such a long way
From where you are
Now I'm falling from this star
And I can't forget it
I'm not ready yet
Cause the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away
Heal me, baby, baby won't you

I go crazy, crazy
For you
Won't you tell me, tell me
Something new
I am crazy, crazy
For you
I am crazy, crazy
For you
I am crazy,
Crazy for you
