

Treat Her Right

George Thorogood & The Destroyers

I wanna tell you a story every man outta know
If you want a little lovin' you gotta start real slow
She gonna love you tonight if you just treat her right Oh, squeeze her real gentle, you gotta make her feel good
Tell her that you love her like you know you should
She gonna love you tonight if you just treat her right If you practice my method just as hard as you can
You gonna get a reputation as a lovin' man
Yeah, you'll be glad every night that you treated her right Hey, hey, hey Gotta squeeze her real gentle, you gotta
make her feel good
And tell her that you love her like you know you should
She gonna love you all night if you just treat her right If you practice my method just as hard as you can
You gonna get a reputation as a lovin' man
Yeah, you'll be glad every night that you treated her right Hey If you practice my method just as hard as you can
You gonna get a reputation as a lovin' man
Then you'll be glad every night that you treated her right
