Love Is On The Run

Moody Blues

Just because it's raining here
It doesn't mean the sun isn't shining
Somewhere else for someone
You have loved but who's not near you anymoreWhen your love is on the run
Don't fall apart at what's begun
It's just the healing process of your heartWhen your dream has lost it's cause
Don't waste your time in closing doors
You'll be the last to know when love has goneLove is on the run
Love is on the run
Love is on the run
Love is on the run from meLove is on the run
Love is on the run
Love is on the run from meCouldn't find the words to say I love you
Couldn't fight the hurt of holding on
Couldn't hope, couldn't dream
Couldn't see tomorrow with out your love I can't go onLove is on the run
Love is on the run
Love is on the run
Love is on the run from meWhen your love is on the run
Don't fall apart at what's begun
It's just the healing process of your heartWhen your dream has lost it's cause
Don't waste your time in closing doors
You'll be the last to know when love has goneLove is on the run
Love is on the run
Love is on the run from me
