

# Love Is On The Run

## Moody Blues

Just because it's raining here  
It doesn't mean the sun isn't shining  
Somewhere else for someone  
You have loved but who's not near you anymore  
When your love is on the run  
Don't fall apart at what's begun  
It's just the healing process of your heart  
When your dream has lost it's cause  
Don't waste your time in closing doors  
You'll be the last to know when love has gone  
Love is on the run  
Love is on the run  
Love is on the run from me  
Love is on the run  
Love is on the run from me  
Couldn't find the words to say I love you  
Couldn't fight the hurt of holding on  
Couldn't hope, couldn't dream  
Couldn't see tomorrow with out your love  
I can't go on  
Love is on the run  
Love is on the run  
Love is on the run from me  
When your love is on the run  
Don't fall apart at what's begun  
It's just the healing process of your heart  
When your dream has lost it's cause  
Don't waste your time in closing doors  
You'll be the last to know when love has gone  
Love is on the run  
Love is on the run  
Love is on the run from me
