

# Always Love

## America

To make a mountain of  
Your life is just a choice  
But I never learned enough to listen to  
The voice that told me  
Always love  
Hate will get you everytime  
Always love  
Don't wait 'til the finish line Slow demands come 'round  
Squeeze the air and keep the rest out  
It helps to write it down  
Even when you then cross it out (CHORUS)  
But always love  
Hate will get you everytime  
Always love  
Even when you want to fight Self directed lives  
I want to know what it'd be like  
To aim so high above  
Any card that you get dealt you (CHORUS 2)  
Always love  
Hate will get you everytime  
Always love  
Hate will get you  
I've been held back by something, yeah  
You said to me quietly on the stairs  
I've been held back by something, yeah  
You said to me quietly on the stairs  
You said  
Hey you good ones  
Hey you good ones  
Hey you good ones To make a mountain of  
Your life is just a choice  
But I never learned enough to listen to  
The voice that told me (CHORUS 2)  
Always love  
Hate will get you everytime  
Always love  
Hate will get you  
I've been held back by something, yeah  
You said to me quietly on the stairs

I've been held back by something, yeah

You said to me quietly on the stairs

You said

Hey you good ones

Hey you good ones

Hey you good ones
