

Wicked boy (Live at The Headroom)

[Alex G](#)

real men walk
on the outside
on the outside
on the outside
and they take it for the team
the piss comes through your jeans
to the outsidewicked boy
wicked boy
wicked boy
wicked boy
real men hide
on the outside
on the outside
on the outside
and you think you wanna die
but i watch you close your eyes
oh its alright
wicked boy
wicked boy
wicked boy
wicked boy
