

# Feedback On Highway 101

## Johnny Winter

Feedback, feedback  
Feedback on Highway 101  
Feedback, feedback  
Feedback on Highway 101 Cruisin' easy, your favorite DJ  
Havin' fun, havin' fun, havin' fun Look out, look out, stand back  
There's a fool out on the road  
Look out, look out, look out  
Stand back, stand back  
There's a fool out on the road, on the road He's had one too many drinks  
And he just might overload, overload Night time, night time, night time  
Cruisin', cruisin' along  
Night time cruisin'  
Night time cruisin' along You don't see the setting sun  
Ah, the thing has gone Feedback, feedback on Highway  
Highway, Highway, Highway 101  
Feedback on Highway 101 Cruisin' easy, your favorite DJ  
Havin' fun, havin' fun  
Havin' fun, havin' fun, havin' fun Stop at the station  
Keep it on  
Give me a long distance phone  
Stop at the station Gimme long, gimme long  
Gimme a long distance phone  
I wanna blow my lonesome horn  
Blow the horn just like a saxophone  
Blow it just like a saxophone Come on now, come on now  
Come on listen on now  
Come on, come on Come on listen on  
Come on listen
