Second Skin

Royal Trux

We all have a second skin
(Sometimes it's superficial)
From without or from within
(Can be beneficial)
When you have your second skin
(All of it essential)
You can be almost anything
(Very superficial)We all have a second skin
(A real infatuation)
From without or from within
('Cause hyperventilation)
When you have your second skin
(A close examination)
You can be almost anything
(And you'll see the superstition)We all have a second skin
From without or from within
When you have your second skin
You can be anythingWe all have a second skin
From without or from within
When you have your second skin
You can be anythingWe all have a second skin
(We all have)
From without or from within
(From without)
When you have your second skin
(When you have)
You can be almost anything
(You can be, superstition)Sometimes it's superficial
Can be beneficial
All of it essential
Very superficialWe all have a second skin
(A real infatuation)
From without or from within
('Cause hyperventilation)
When you have your second skin
(A close examination)
You can be almost anything
(And you'll see the superstition)We all have a second skin
From without or from within

When you have your second skin
You can be almost anything
(Anything, anything)
