I Believe

Stryper

They said you wouldn't make it so far ah ahhhh
And ever since they said it, it has been hard
But never mind the nights you had to cry
Cause you would never let it go inside
You work real hard and you know exactly what you want
And need so believe and you can never give up
You can reach your goals
Just talk to your soul and say
I believe i can
I believe i willoh i will
I believe i know my dreams are realare real
I believe i'll chant
I believe i'll dance
I believe i'll grow real soonthats why
And that is why i do believe
Your goals are just a thing in your soul ah ahhhh
And your know that your moves will let them show
You keep creating pictures in your mind
So just believe that they will come true in time
It will be fine leave all of your cares and stress behind
Just let it go let the music flow inside
Forget all your pain and just start to believe
I believe i cani believe i can oh yea}
I believe i will
I believe i know my dreams are realall my dreams are real
I believe i'll chant
I believe i'll dance
I believe i'll grow real soon
And that is why i do believe
Never mind what people say
Hold your head high and turn away
With all our hopes and dreams
I will believe even though it's not for me
I won't give up i'll keep it up
Look into the sky
I will achieve all my needs
All my beliefs
