## **Sound Of Love**

## **Cassie**

Okay, you have me sprung from day 1 Right off the jump baby Your voice is like the sweetest melody, yeah, yeah, yeah Ok like a number 1 my favorite song you off the charts baby Together we're like perfect harmony, yeah, yeah, yeah I could lay up all day, would you let the music play Love the way it feels here in your arms, yeah We can go out at night, kiss under the city lights Just, just, just don't stop what you doing, doing, doing Boy you make my heart pam pam pam param pam pam Pounding on my chest bip bip just like a drum Music to my ears, ram pam pam param pam pam Tonight we gonna turn this up Cause it's the sound of love, love, love, love The sound of love, love, love Cause it's the sound of love, love, love The sound of love Baby you and me have been equal to a symphony Boy you keep me dancing on my feet, yeah, yeah, yeah Baby you're my star, a work of art, a master piece Boy let's keep this going on repeat, yeah, yeah, yeah I could lay up all day, would you let the music play

Love the way it feels here in your arms, yeah We can go out at night, kiss under the city lights Just, just don't stop what you doing, doing, doing Boy you make my heart pam pam pam param pam pam Pounding on my chest bip bip just like a drum Music to my ears, ram pam pam param pam pam Tonight we gonna turn the sound Cause it's the sound of love, love, love, love The sound of love, love, love Cause it's the sound of love, love, love The sound of love L is for the life you breathe in me O I can't believe this feeling V is for the vacancy you fill in me Tonight we gonna turn it up Cause this is the sound of love

Pam pam pam param pam pam Pounding on my chest bip bip bip just like a drum Music to my ears, ram pam pam param pam pam Tonight we gonna turn the sound Cause it's the sound of love, love, love The sound of love, love, love Cause it's the sound of love, love, love The sound of love, love, love
