Crystal (Remaster)

Stevie Nicks

Do you always trust your first initial feeling
Special knowledge holds truth
Bares believing
I turned around
And the water was closing all around
Like a glove
Like the love that had finally, finally found meAnd I knew
In the crystalline knowledge of you
Drove me through the mountains
Through the crystal like a clear water fountain
Drove me like a magnet
To the sea
To the sea
To the sea, yeah
How the faces of love have changed
Turning the pages
And I have changed oh, but you
You remain ageless
I turned around
And the water was closing all around
Like a glove
Like the love that had finally, finally found me
And I knew
In the crystalline knowledge of you
Drove me through the mountains
Through the crystal like a clear water fountain
Drove me like a magnet
To the sea
To the sea
To the sea, yeah
To the sea, yeahI turned around and the water was closing around me
I turned around and the water was closing around me
