

Up or Down

Pinact

So this is the hard part
I've never been good at
Hold onto your goodbye
This isn't the last time
You're going to see me hear
Remember what you whispered in my ear
Although it won't last long
It's just something we're both going through
You want to run around
But I don't know which way is up or down
I don't know why I do
The things I do to make it clear to you
And sometimes it works out
Be patient we'll find out
'Cos nothing is easy
Complete me, completely
You said that this was it
The closest thing to a relationship
Although it won't last long
It's just something we're both going through
You want to run around
But I don't know which way is up or down
I don't know why I do
The things I do to make it clear to you
