Show Me the Way

Stefanie Heinzmann

I've got something, I've got to decide,
it might drive me right out of my mind,

So leave the light on.
I might make it home, but it might stay gone
so just leave the light on for me

When your head wants to go, go, go
but your feet wanna take it slow
when your head wants to do what's right
but your feet wanna spend the night
I just say,
he-hey, he-hey, he-hey, please show me the way
he-hey, he-hey, he-hey, please show me the way

I'm kind of indecisive at times
just don't rush me
I'm taking my time

So leave the light on.
I might make it home, but it might stay gone
so just leave the light on for me

When your head wants to go, go, go
but your feet wanna take it slow
when your head wants to do what's right
but your feet wanna spend the night
I just say,
he-hey, he-hey, he-hey, please show me the way
he-hey, he-hey, he-hey, please show me the way

I can't say suddenly that I'm not sure
I'll have to think about it, a little more, maybe

bap bap bap

When your head wants to go, go, go
but your feet wanna take it slow
when your head wants to do what's right
but your feet wanna spend the night

I just say,
he-hey, he-hey, he-hey, please show me the way
he-hey, he-hey, he-hey,

When your head wants to go, go, go
but your feet wanna take it slow
when your head wants to do what's right
but your feet wanna spend the night
I just say,
he-hey, he-hey, he-hey, please show me the way
he-hey, he-hey, he-hey, please show me the way
