## Evanescence

My black backpack stuffed with broken dreams  
Twenty bucks should get me through the week  
Never said a word of discontentment  
Fought it a thousand times but now I'm leaving home  
Here in the shadows, I'm safe, I'm free  
I've nowhere else to go  
But I cannot stay where I don't belong  
Two months pass by and it's getting cold  
I know I'm not lost I'm just alone  
But I won't cry, I won't give up, I can't go back now  
Waking up is knowing who you really are  
Here in the shadows, I'm safe, I'm free  
I've nowhere else to go  
But I cannot stay where I don't belong  
In the shadows, I'm safe, I'm free  
I've nowhere else to go  
But I cannot stay here  
Oh, show me the shadow where true meaning lies  
So much more dismay in empty eyes
