

Mad Hatter

Melanie Martinez

[Verse 1]

My friends don't walk they run
Skinny dip in rabbit holes for fun
Poppin' poppin' balloons with guns
Getting high off helium We paint white roses red
Each shade from a different persons head
And scream that there's a killer
Getting drunk with the blue caterpillar [Pre-Chorus]
Now I'm peeling the skin off my face
Cause I really hate being safe
The normal they make me afraid
The crazy they make me feel sane [Chorus]

I'm nuts!

Baby, I'm mad

Craziest friend that you've ever had

You think I'm psycho

You think I'm gone

Tell the psychiatrist something is wrong

Over the bend

Entirely bonkers You like me best when I'm off my rocker

Tell you a secret

I'm not alarmed

So what if I'm crazy?

The best people are

All the best people are crazy

All the best people are [Verse 2]

Where is my prescription?

Doctor doctor please listen

My brain is scattered

You can be Alice

I'll be the Mad Hatter [Pre-Chorus]

I'm peeling the skin off my face

Cause I really hate being safe

The normal they make me afraid

The crazy they make me feel sane [Chorus]

I'm nuts!

Baby, I'm mad

Craziest friend that you've ever had

You think I'm psycho

You think I'm gone
Tell the psychiatrist something is wrong
Over the bend
Entirely bonkers You like me best when I'm off my rocker
Tell you a secret
I'm not alarmed
So what if I'm crazy?
The best people are[Bridge]
You think I'm crazy
You think I'm gone
So what if I'm crazy?
All the best people are
And I think your crazy too
I know you're gone
It's probably the reason that we get along[Chorus]
I'm nuts!
Baby, I'm mad
Craziest friend that you've ever had
You think I'm psycho
You think I'm gone
Tell the psychiatrist something is wrong
Over the bend
Entirely bonkers You like me best when I'm off my rocker
Tell you a secret
I'm not alarmed
So what if I'm crazy?
The best people are
