CS:Go (The Musical)

Logan Hugueny-Clark

(VERSE 1)
I always plant at Site B,
Got two hostages with me.
Iâ€™ve locked and loaded my gun, I plant my bomb then I run.
I can smell the smoking barrel of my trusty AK,
Make the counter-terrorist blood spill all through the day. Donâ€™t just spray,
Donâ€™t wound them hosties today.
Ooh ooh ooh ooh
We can quick-scope headshots, Camping in our fave spots, Take cover, frag out.
Ooh ooh ooh ooh
Hiding in the air vents, Shoot 'til the ammoâ€™s spent, Pop me some smoke.
Ooh ooh ooh ooh

(CHORUS)
Donâ€™t let hostages out of sight,
Open fire, make sure you never miss. Since the CTâ€™s just want to fight,
Take â€˜em down â€˜cause Iâ€™m a terrorist. Rush explosives to the bomb site,
Blow it up, make the other team pissed. Since the CTâ€™s just want to fight
Take â€˜em down â€˜cause Iâ€™m a terrorist.

ï¿¼(VERSE 2)
Got the office on lockdown,
We hear the glass breaking sound. Them CTâ€™s tryinâ€™ to sneak in,
Our team size is getting thin.
Thereâ€™s an AWPer in the hallway, heâ€™s no-scoping us down, Some dudeâ€™s slaying with a shotty as heâ€™s
around. Just me left,
My flashbang makes â€˜em all deaf.
Ooh ooh ooh ooh
Crouching makes me silent, Stabbing them, so violent, Hush, go to sleep.
Ooh ooh ooh ooh
Bait them with a hostage, Make them suffer losses, Using my nade.
Ooh ooh ooh ooh

(BRIDGE)
Oh hostage, hostage, Holding them at gun point.
Explosive, â€˜splosive,
Iâ€™ll blow up this whole joint.
Oh hostage, hostage,
Holding them at gun point.

Explosive, â€˜splosive, (yyyeeeeaaaahhhh)
Iâ€™ll blow up this whole joint. (ooooooohhhhh)
Ooh ooh ooh ooh
ï¿¼ï¿¼
(CHORUS)
Donâ€™t let hostages out of sight,
Open fire, make sure you never miss. Since the CTâ€™s just want to fight,
Take â€˜em down â€˜cause Iâ€™m a terrorist. Rush explosives to the bomb site,
Blow it up, make the other team pissed. Since the CTâ€™s just want to fight
Take â€˜em down â€˜cause Iâ€™m a terrorist.
