

Race Car Ya-Yas

Cake

The land of race car ya-yas
The land where you can't change lanes
The land where large fuzzy dice still hang proudly
Like testicles from rear view mirrorsThe land of race car ya-yas
The land where you can't change lanes
The land where large fuzzy dice still hang proudly
Like testicles from rear view mirrorsThe land of race car ya-yas, ya-yas
Oh no, the land of race car ya-yas
The land of race car ya-yas
Race car ya-yas
