

# Peace Be Still

## Rush of Fools

Come to me, you who are weak  
Let my strength be yours tonight  
Come and rest, let my love be your bed  
Let my heart be yours tonightPeace be still, peace be still  
Please be still  
And know that I am God  
And know that I am GodCome empty cup, let me fill you up  
I'll descend on you like a dove tonight  
Lift your head, let your eyes fall into Mine  
Let your fear subside tonightPeace be still, peace be still  
Please be still  
And know that I am God  
And know that I am GodHallelujah, Hallelujah  
Hallelujah, HallelujahPeace be still, peace be still  
Please be still  
And know that I am God  
And know that I am God
