

# You Make My Dreams

## Jaron And The Long Road To Love

What I want, you've got  
And it might be hard to handle  
But like the flame that burns the candle  
The candle feeds the flame  
What I've got's full stock of thoughts  
And dreams that scatter  
And you pull them all together  
And how, I can't explain  
But you, you make my dreams come true  
Oh you, you make my dreams come true  
On a night when bad  
Dreams become a screamer  
When they're messin' with the dreamer  
I can laugh it in the face

Twist and shout my way out  
And wrap yourself around me  
'Cause I ain't the way you found me  
And I'll never be the same  
But you, you make my dreams come true  
Oh you, you make my dreams come true  
I'm down on the daydream  
That sleepwalk should be over by now  
I know that you  
You make my dreams come true  
Oh you, you make my dreams come true  
But you, you make my dreams come true  
Oh you, you make my dreams come true  
But you, you make my dreams come true
